FOR IMMEDIATE RELEASE

St. Johns County to Host Public Meeting to Discuss Findings of Summer Haven Feasibility Study Draft Report

ST. JOHNS COUNTY, Florida, September 14, 2023 – St. Johns County will host a public meeting to discuss the findings presented in the Summer Haven Feasibility Study draft report recently completed by the County’s contracted coastal engineering firm, INTERA-GEC. The purpose of the study is to develop environmentally and financially sustainable long-term solutions to maintain the flow of the Summer Haven River. The public can visit www.sjcfl.us/CoastalProjects/summerhaven.aspx to view the draft report and visit <https://bit.ly/SHRstudyPublicComments> from now until Sept. 21 to provide public comment on the draft report.

The public will have an opportunity to ask questions and discuss the findings of the draft report with representatives from St. Johns County Coastal Management and INTERA-GEC at the meeting.

When: Thursday, Sept. 21, 2023
6 to 8 p.m.

Where: Celebration Hall at St. Anastasia Catholic Church
5205 A1A S.
St. Augustine

One or more County Commissioners may be present. No action will be taken during the public meeting.
